

Case Study

SCA Hygiene Products Ltd

Project Details

- ▶ Name: SCA Hygiene Products Ltd (Georgia Pacific)
- ▶ Location: Horwich
- ▶ Contact: Simon Sculthorpe – Plant Maintenance Manager
- ▶ Product: 400m Board-Walk & 5 Valley-Walk
- ▶ Installation Date: May 2012.
- ▶ Installation Time: 5 days

Project

- ▶ Access needed over several fragile roofs and valleys for general roof maintenance
- ▶ Easi-Dec supplied and Ellesmere Port Insulations (part of Lyjon Group) installed nearly 400m of Board-Walk as a permanent walkway up and over all the fragile roofs.
- ▶ 5 Valley-Walks were also included to give safe access across the Valleys.

Testimonial

Ellesmere Port Insulations Ltd

- ▶ “Couldn’t fault Easi-Dec, two of their men carried out their training and couldn’t believe how simple it was to fit”.
- ▶ We would have no hesitation in using their product again!
