

Arabian Automobiles, Sharjah, UAE

In December 2012 combination of KeeLine®, Postanka and BoxBolts® were used to provide safe roof access at Arabian Automobiles a Nissan, Infiniti & Renault dealership in Sharjah, UAE

Arabian Automobiles, Sharjah, UAE

- Postanka Kee Safety's range of fabricated posts are designed to the requirements of EN795 Class A.
- BoxBolt® fixings allowed the Postanka to be installed directly to the supporting steel work without requiring access to the underside.
- The project was installed by Kee Safety LLC, Dubai comprising multiple KeeLine® horizontal lifelines totalling 258m
- The Hot Dipped Galvanised components were powder coated to the clients specification.
